Jannatul Ferdous

Student, International Islamic University Chittagong

Final-semester Computer Science and Engineering student at International Islamic University Chittagong (IIUC) with a strong academic background and practical experience in Artificial Intelligence, Machine Learning, Cybersecurity, and Software Development. Proficient in Python, C/C++, Java, JavaScript, SQL, TensorFlow, PyTorch, React.js, and Kali Linux, with hands-on exposure to modern technologies and development tools. Actively involved in technical seminars, cybersecurity workshops, and Capture the Flag (CTF) competitions, demonstrating a commitment to continuous learning and professional growth. Seeking an opportunity in Software Engineering, AI/ML, Data Science, or Cybersecurity to apply technical knowledge, contribute to innovative projects, and build a successful career in the technology industry.

Experience

IIUC CSE Fest 2026 | 2026
AI Seminar Participant

Participated in AI-focused seminars and technical discussions to gain insights into recent developments in Artificial Intelligence and Machine Learning. Enhanced knowledge of emerging technologies and their practical applications in the field of Computer Science.

IIUC Cyber Security Club | 2026
Webinar Participant

Attended the webinar, *Secure Coding 101: Industry Best Practices for Emerging Developers*, to develop a better understanding of secure software development practices, common security vulnerabilities, and industry-standard coding techniques.

IIUC Computer Club – Female Chapter | 2026
CTF Participant

Participated in Ethical Hacking and Capture the Flag (CTF) activities to strengthen practical skills in cybersecurity, problem-solving, vulnerability assessment, and collaborative teamwork.

Applink Revenue to Rewards Program | 2026
